COURSE POLICIES

Academic Honesty

Faculty who suspect violation of academic honesty, cheating, plagiarism, collusion, or abuse of resource materials may assign an academic penalty.

Incidents of academic dishonesty are a violation of the Student Code of Conduct. An academic appeal process is afforded to students who desire to dispute a grade or any decision that affects the student's ability to complete and earn a grade for the course, provided it is not related to a violation outlined in the LSCO Student Code of Conduct, including academic dishonesty.

Students should do their own work and attach their names to it with integrity.

Electronic Communication

LSCO students are required to use either their LSCO Blackboard account or their LSCO email account (Office 365 / Microsoft Outlook) for all electronic communication. In order to ensure the privacy and identity of the student communicating via electronic methods, LSCO faculty will direct students to use their LSCO email accounts rather than personal accounts. If a student has trouble accessing their LSCO email account, they should contact the LSCO Help Desk at (409) 882-3033 or helpdesk@lsco.edu.

Attendance Requirements

Federal regulations require students who receive financial aid to have begun "attending" and participate

substantially in each course for which they are enrolled on or before the official census reporting date outlined on the LSCO Academic Calendar. Students documented as "not attending" a course upon the census date are assumed (for financial aid purposes) to have not begun attendance for that course, negatively affecting their financial aid eligibility and disbursement.

Attendance in an ONLINE course is verified by substantial participation in the course on or before the census date published in the LSCO Academic Calendar. Substantial participation in this online course is defined as logging in and completing/participating in at least one requirement of the course. Note: Simply logging in to your online course does not constitute attendance.

Hybrid classes are a mix of face-to-face and online environments. Students will be expected to attend a certain number of classes as required by the instructor. (Include the policy on absences and tardiness.) In addition to classroom attendance, your weekly active participation in the online component (Blackboard and/or homework software) will be considered and expected.

In-person attendance in this class is required. More than four absences constitutes less than 75% attendance. Blackboard will track your attendance percentage, but it is not graded. Too many absences can result in diminished success in the course.

Should circumstances prevent your attendance, please email jeggleston@lsco.edu. I do not need to be privy to details. Students who miss 4 or more sessions will be considered to have dropped the course and their work may not be graded.

Make-up Work Policy

Once a unit quiz or test has been assigned, work preceding that assessment will not be accepted for a grade. If you need more time to do work before a unit quiz or test, let me know before it is due. Work that is unfinished at the end of the term may not be graded in time for transcripts. The midterm paper may be turned in one week late.

All graded late work is subject to a point reduction of up to 11% before scoring.

Classroom Etiquette

Timely attendance is expected and appreciated.

Use of AI and the internet is prohibited on quizzes and tests.

Students must write their own papers (not AI) and do their own work.

Exam Policy

Exams: There are two exams comprising 50% of your overall grade in this course. **Exams** will be accessible via the course content in Blackboard. They will be 5 timed essay questions. Students may use classroom presentations, the course text, and course materials. Students may not use the internet or AI.

Responsible Use of Artificial Intelligence (AI)

Students should use AI technology responsibly and ethically. This includes refraining from using AI to engage in harmful or unethical activities, such as generating false information, spreading misinformation, or engaging in malicious behaviors. The use of AI should align with the principles of academic integrity, honesty, and respect for others. Students are responsible for adhering to LSCO's Academic Honesty policy found in the Student Handbook. LSCO's full AI policy can be found at [AI Policy | Lamar State College Orange \(lsco.edu\)](https://www2.lsco.edu/Syllabi/Spring%2026/Eggleston%20Jannie/GOVT-2306-60S%20-%20Texas%20Government%20Syllabus.html).

For a 3-credit hour taught in a 10-week summer session, students should prepare to allocate approximately 10 to 15 hours per week outside of class studying and completing assignments. For a 3-credit hour taught in an 8-week session, students should prepare to allocate approximately 12 to 18 hours per week outside of class studying and completing assignments. INSTITUTIONAL POLICIES

Campus Closure

In the event of an emergency campus closure in excess of three class days, Lamar State College Orange's classes will continue via the use of Blackboard. In such an instance, the college website, www.lSCO.edu, will have information concerning the event and anticipated re-opening plans.

Civility

Please be considerate of other classmates' feelings, ethnic background, cultural differences, situations, and level of maturity. Students will be asked to leave the course if disruptive or inappropriate behavior is exhibited in any of the course requirements. If your instructor feels that you have not contributed appropriately to course requirements, your final course grade may be reduced accordingly.

The instructor reserves the right to manage a positive learning environment and will not tolerate inappropriate conduct in the course. Rude correspondence (discourteous or impolite, especially in a deliberate way) in e-mails, telephone calls, in person, or comments made to other class members, the instructor, or the office staff.

Contingency Plans

Students should develop a backup plan should their computer system or their Internet provider fail. Computer or internet connectivity issues are not valid excuses for missing a deadline. The College provides many opportunities for using computer equipment, as do many public libraries. Refer to the LSCO website for operational hours of the Library and Success Center.

Credit Transfer

Students should check in advance with the institution to which they plan to transfer credit to confirm transferability. Refer to the LSCO Catalog for details on how to handle and resolve transfer disputes with public institutions of higher education in Texas.

Criminal Background Policy

LSCO awards some certificates and degrees in which a criminal history MAY disqualify candidates from becoming licensed, certified, and/or employed upon degree/certificate completion. Students with a criminal background enrolling in courses leading to a degree/certificate in Court Reporting, Criminal Justice,

Cosmetology, Emergency Medical Technology, Massage Therapy, Medical Assisting, Vocational Nursing (VN), Registered Nursing (RN), Pharmacy Technician, Real Estate, or Teacher Preparation program are **STRONGLY ENCOURAGED** to discuss the certification and/or licensing regulations of the program with the program director listed in order to learn more about the current guidelines related to criminal history as well as the right of individuals to request a criminal history evaluation letter.

Drops and Withdrawals

Never attending or ceasing to attend classes **DOES NOT** constitute a drop or withdrawal. You remain registered until you request a drop from the instructor. Failure to act in a timely manner will result in an "F" grade for the course. It is the student's responsibility to follow up with the LSCO advising office to ensure that all drops/withdrawals are processed as desired.

Grade of "Incomplete"

The grade of "I" may be given when any requirement of the course, including the final examination, is not completed. Students seeking an incomplete should have completed at least 75% of the course requirements and be passing the course at the time of the request. Arrangements to complete deficiencies in a course should be made in advance of the end of the semester with the instructor. The instructor will process the Incomplete form online, and a confirmation will be sent to the student's LSCO email.

Incomplete work must be finished during the next long semester. If not, the Office of Admission and Records must change the "I" grade to the grade of "F." The course must then be repeated if credit is desired. An "I" grade also automatically becomes an "F" if the student registers for the course prior to removing the deficiencies and receiving a grade change. The instructor may record the grade of "F" for a student who is absent from the final examination and is not passing the course.

Grade Appeals (Complaints Related to Earned Grades)

Grade determination and awarding of grades in a course are the responsibility of the instructor and should be calculated according to college policy, procedures, and written details provided in the course syllabus. **NOTE:** Final grades are available to students within 48 hours of the instructor posting the grade in Banner. Students may view final grades by logging into MyGator and then accessing Gator Self-Service.

An academic appeal process is afforded to students who desire to dispute a grade or any decision that affects the student's ability to complete and earn a grade for the course provided it is not related to a violation outlined in the LSCO Student Code of Conduct. If an informal conference with the faculty member regarding an academic complaint fails to reach the outcome requested by the student, the student may initiate the formal process outlined below. Even after initiating the formal complaint process, students are encouraged to seek informal resolution of their concerns. A student whose concerns are resolved may withdraw a formal complaint at any time.

Refer to the current catalog or for details on the formal grade appeal process.
